

WELCOME TO JBBF 1 –

THE 1ST JUST BEER BEER FEST

Thanks for joining us for the first ever JBBF. We have been busy scouting the country to bring you a selection of fine beers from Britain's best micro breweries.

We have managed to find you beers from three brand new breweries, four brew pubs and two one-off specials for your enjoyment. We hope you enjoy our little celebration of Real Ale this weekend and hope to see you again in Just Beer soon. Cheers!
